To Whom It May Concern,

This document serves as a Letter of Recommendation for Matt Weinberg. Matt has been the Art Director at TSN Group, Inc for the last several years, creating and managing the artistic needs of the entire organization. In his capacity as the Art Director, Matt has been responsible for creating all the materials used company - wide to sell the many products and services of TSN Group Inc. Matt has been the only member of the Art Department at TSN, and as such has had to juggle requests, prioritize projects needed for sales calls and presentations, and design materials with short notice.

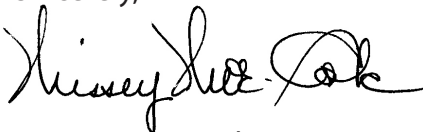

He is a talented, creative and most importantly, a willing participant, always able to complete what is asked – whenever asked.

A “Team Player”, Matt has been the “go to guy” when creative thoughts and ideas have been needed. He is a gifted and talented professional and I would highly recommend Matt to any organization that is looking for a creative resource. And, Matt is hard working, yet another attribute difficult to find in today’s market.

I can be available to answer any questions you might have about Matt, and I can be reached via Cell phone at 203-984-1061.

He would be an outstanding asset and addition to any company.

Sincerely,

Missey Moe-Cook
SVP/General manager
